

“Ride With The Best” Clinics at Equine Affaire

November 9–12, 2017

Eastern States Exposition in W. Springfield, MA

Many of the clinicians who will be featured at the 2017 Equine Affaire will be accepting horses and riders for some or all of their sessions. Enclosed is a list of the clinic sessions for which riders may apply. Equine Affaire, Inc. will be accepting completed applications for all of the sessions and then forwarding the applications on to the respective clinicians or their designated representatives so that they may make their own selections. Once selections have been made, those applicants who are chosen will be notified by phone. Applicants who are not selected will receive notification by email.

To ensure that you are considered for a clinic, your application must be received by **September 8, 2017**. Please submit your **application materials** to: **Alison Scott, Equine Affaire, Inc., 2720 State Route 56 SW, London, OH 43140**
Email: ascott@equineaffaire.com | Fax: (740) 845-2879

If you have any questions, please contact Alison Scott at (740) 845-0085 ext. 105 or email ascott@equineaffaire.com.

What you need to know about applying for and riding in a clinic at Equine Affaire . . .

1. Clinics are designed to cater to a broad spectrum of horsemen and women. While some clinicians are seeking equestrian competitors with specific skills, others are seeking any riders interested in improving their general relationships with their horses. Each clinician has specific ideas about the horses and/or riders he/she would like to use to demonstrate a particular skill or training process. Do not hesitate to apply because you think that you might not be selected. You might be just what the clinician has in mind! If you are not selected as a participant, we encourage you to come and learn by attending the clinic as a spectator. Everyone will benefit from the experience.
2. A fee is charged for each clinic. The clinic fee includes admission to Equine Affaire on the day of the clinic(s) for the rider/handler and 24 hours of stabling (either the night before or the night of the clinic(s)) for the horse. Participants in two-day clinics receive admission to Equine Affaire on both clinic days and 48 hours of stabling. Additional nights of stabling can be purchased for \$40/night. Participants are responsible for bringing or purchasing their own feed and bedding. (Straw and shavings may be purchased on site.) Clinic fees of accepted clinic participants are non-refundable. Exhibitors already contracted to exhibit in the Breed Pavilion and/or Horse & Farm Exhibits may discount the total clinic fees by \$50, but they will not receive complimentary admission or stabling.
3. Payment: Checks or credit cards (Visa, Mastercard, Discover, American Express) are accepted for payment of application fees. If submitting check(s), please send one check for each clinic to which you have applied. Credit card information is to be submitted via the Ride With The Best credit card authorization form. Checks and credit cards will be deposited / processed once the selected applicants have been notified of acceptance. Any checks unused will be voided and returned by mail.
4. **To be considered to ride or drive in any of the clinics, you must submit a video with your completed application and clinic fee.** This video must show you and your horse either in competition or in training as requested in the clinic descriptions. The clinician or his/her representative will use the video to evaluate you and your horse. **All videos must be submitted as a link to a YouTube video (preferred) –or– standard DVD (one DVD per clinician).** Videos should be brief (up to five minutes) and marked with your name and address. We are unable to guarantee that your submission will be sent back to you and recommend that you not submit footage that must be returned.
5. The clinics at Equine Affaire offer a unique and invaluable opportunity to “ride with the best.” However, you should be aware that the clinics will be conducted in large arenas where there are likely to be large crowds in attendance. Opportunities to warm up in the actual clinic arenas may not be available. If you and/or your horse cannot function well in such an environment, we cannot encourage you to apply.
6. In the unlikely event that a clinician is unable to conduct his/her clinics as scheduled because of an unavoidable event (such as an illness, accident, flight cancellation, death in the family, etc.), Equine Affaire will make every effort to retain another clinician of similar caliber to conduct the clinics on the same topics as scheduled, and clinic riders will not be given any refund of clinic fees. If, for any reason, a suitable replacement cannot be retained and a clinic must be cancelled, clinic riders will be provided a refund of the fees they paid to participate in the cancelled clinic.
7. All horses brought to the Eastern States Exposition are expected to be free of illness and infectious disease.
 - **Any horse transported to the event** must be accompanied by a negative test result for equine infectious anemia (Coggins Test) dated within one year of November 12, 2017.
 - **Any horse transported to the event from outside the state of Massachusetts** must be accompanied by a Certificate of Veterinary Inspection (health papers) issued within 30 days of the date on which the horse arrives at the event. *The certificate must state that the equine does not originate from a quarantined area, or an area where a contagious or infectious disease has been officially diagnosed.*
 - **Any horse transported to the event from within the state of Massachusetts** must be accompanied by a Certificate of Veterinary Inspection (health papers) dated January 1, 2017, or later.
 - While not required, it is strongly recommended that all equines be vaccinated for rabies, tetanus, EEE/WEE, and Flu/Rhino within one year of the event.

Each horse owner/trainer is required to present the mandatory health papers to the show veterinarian upon check in.
