

# EQUINE AFFAIRE YOUTH RIDER CLINIC APPLICATION

April 12-15, 2018

Ohio State Expo Center; Columbus, OH

To the Parent or Legal Guardian: As a safety measure Equine Affaire, Inc. does not permit children under the age of 18 to ride horses at Equine Affaire without the approval of their parents or legal guardian and the management of Equine Affaire, Inc. We realize that there are many young riders who possess the skills and experience necessary to ride in large, congested indoor arenas in front of thousands of people, but we need to be able to identify in advance those young riders who can function safely in the challenging environment of a major event like Equine Affaire. Please complete and submit the following application so that we will be able to evaluate your child's riding ability. This application is to seek approval for your child to ride ONLY the horse described within this application and only within designated riding areas at the event.
