The following is a list of some of the positions that we will be filling with volunteers at the event. Please indicate the tasks you believe you would be best suited to fill and indicate the order of your preference by writing in "1" for your first choice, "2" for your second choice, "3" for third choice, etc. We cannot guarantee that you will be assigned to any job in particular, but we try to assign volunteers based on their preferences and abilities. **Please note that to assist as a volunteer, you must be available to volunteer at least two shifts (a total of four hours) during the event, which includes set up and tear down days.**

Additional Comments or Requests:

I understand volunteer shifts are each two hours in length and that in exchange for volunteering for two shifts I will receive admission to Equine Affaire on two days. If I volunteer for three shifts, I will receive admission to Equine Affaire on three days and if I volunteer for four shifts, I will receive admission to Equine Affaire on four days plus an official Equine Affaire souvenir. I also understand that I am neither required to work as a volunteer any additional hours or shifts nor will I be asked or permitted to work more than four shifts or eight hours. ***I understand that because of the nature of much of the work that volunteers are asked to do, we cannot accept individuals who are under 18 years of age for most volunteer positions. The only volunteer jobs available for younger volunteers, ages 12 - 17, are cleaning stalls, assisting with youth-related activities in the Equine Fundamentals Forum, and Program Distribution at the gate. The Volunteer Coordinator may require a parent to accompany a young volunteer. Youth Groups that are interested in volunteering are asked to please contact the Volunteer Coordinator for more information.***
